Trinity & Beyond Renovations:

Phase I Complete

The stories so far...

Upgraded Conference Bathrooms

All bathrooms in East, West, and South clusters have been remodeled with new tile, granite, paint, and fixtures.

Replacement of Original Roofs

Roofs original to property have been replaced. This includes: East, West, and South clusters, the dining halls, conference building, administration office, Point of Arrival, all four dorms, and the bungalows on the beach side.

Upgraded Conference Rooms

East, West, and South cluster rooms have been remodeled with new carpet, ceiling fans, paint, bedding, etc.

Trinity Center Signs

All Trinity Center dedication, directional, and parking signs have been replaced around property. This makes it much easier for guests to navigate our beautiful 62 acres.

Upgraded Living Rooms

East, West, and South living rooms have been remodeled with new carpet, ceiling fans, upholstered cushions, bathrooms, and kitchenettes.

Dorm D Seawall

New seawall protecting Dorm D from the elements after Hurricane Irene threatened its existence.

All New Decking

All decks in East, West, and South cluster have been replaced.

South Cluster Ramp

South cluster ramp has been replaced and is up to code.
